

MONTEREY HILLS

KINDERCARE

Monterey Hills Elementary's Kindercare is a hands-on, on-site kindergarten daycare program designed to provide safe and affordable childcare to all registered kindergartners.

We operate a morning and an afternoon program to accommodate either an AM or a PM kindergarten class. If your child has a morning class, they would attend our 11:35 a.m. - 3:00 p.m. session, and if they have an afternoon class, they would attend from 8:00 a.m. to 11:30 a.m.

Here are some of the things our program has to offer:

- Arts and crafts projects
- Storytime
- Free and structured play
- Homework time
- Activities corresponding with the school's curriculum
- 10AM morning snack (provided)
- Regulated/supervised computer access
- Dedicated and caring, CPR-certified staff

We thank you for your interest in the program and hope to hear from you soon. Please feel free to call or stop by the district office if you have any questions.
