All incoming kinders are able to attend Summer Camp from June to August of 2009. Enrollment is open, so all you need to do is register when the time comes. Check back closer to June for more information!

There are three Programs available. Please look at the table to determine which of these you will require to provide the necessary coverage for your child.

AM CARE	6:15AM – 8:00AM
KINDERCARE	8:00AM – 11:30AM or 11:30AM – 3PM
EXTENDED DAY	3PM – 6PM

* For older kids, Extended Day Begins at Dismissal (earlier).

* IMPORTANT * * IMPORTANT * * IMPORTANT *

Although KinderCare is solely for new kindergartners, which means availability is nearly a given, the afterschool program (Extended Day) operates at its maximum capacity. There is a waiting list at all three elementary schools. If your incoming kinder is a sibling of a child already in the Extended Day (3PM – 6PM) program, you are automatically admitted. (Be sure to let your current staff know you have an incoming sibling.) If not, you do still have a fair chance of getting in. In mid to late July, we will conduct a random lottery from which we will register as many new kindergartners as possible. At your request, we will include you in the lottery. You may sign-up during registration on April 20th / 21st, during Round-up, or via phone and E-Mail any time from April 20th up until the day of the lottery. From there, we will contact you to let you know if you made it in. If you did not, you will receive a letter informing you of your status and options. If you do not get in, you must contact our office to be added to the regular waiting list, regardless of having received the letter. You will NOT be automatically placed on the list. Once you're on the list, you will not be removed until your number has been reached or unless you request us to do so...
