WELCOME SPUSD STUDENTS!

Greetings!

We'd like to welcome all new and returning families to the SPUSD Extended Day programs. We're very excited about the 2008-2009 school year. This is Extended Day's ninth year and we plan to be around for many more!

Over the years we have expanded the program to accommodate more children and every time we do we fill up

immediately. Don't forget that if your child is in the program after 3PM, he/she *automatically* rolls over from year to year. If they have a younger sibling, he/she is granted automatic enrollment when they become of age.

If you have a kindergartner in our Kindercare program until 3PM but will need afterschool care next year, be sure to get on the waiting list asap.

This is the first of our quarterly newsletters for the year, so keep an eye out for our next edition coming after Winter Break.

Thanks for picking up The Extended Daily and have a wonderful Thanksgiving and Christmas break!

WHAT'S UP AT EXTENDED DAY...

We're starting out the year with a lot of new things around Extended Day...

- The new computers are here! The new computers are here! We got ten new computers and three fancy new printers,

which were split between the three sites.

- In November we will be welcoming two new employees to our Marengo and Monterey Hills sites. Welcome!

- They're still on their way, but we are getting new computer stations for all three of the elementary sites, which should spruce up the rooms a bit while helping to organize our new computers.

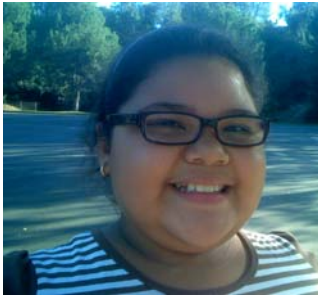

- We have received many new contributions from families in the form of

toys, books, and furniture. We thank you all very much and are sure everyone will enjoy the new stuff! Check out page three for more info...

- Tiger Club would like to welcome Maygen "May-May" Frazier into the fold, while Monterey Hills would like to wish her well on her move down the hill. You will be missed at MHS!

Motto: "Never say never"

Belissa has been with us since kindergarten and has always been a shining light in our program. She is always willing to help the counselors and her classmates.

Belissa has also taken it upon herself to reach out to our Special Education students. Her efforts and contributions are commendable and we thank her for it.

Belissa's heart is definitely in the right place. Her smile is precious, and her laugh and personality are unforgettable.

Belissa is a wonderful example of the kids we have at Monterey Hills' Extended Day program and we are proud to have her here!

At Marengo, our staff members encounter smiles that brighten everyone's day. One of those smiles comes from Ross.

Albert

ARROYO VISTA

Albert

Fifth Grade

Interests:
Video Games

Food of Choice:
Pop Tarts!

Albert has been attending Extended Day since the third grade. He is a fantastically witty kid with a great sense of humor. He constantly makes his peers and the AV staff crack up!

Albert is also known for his nearly perfect attendance in school and our program since kindergarten.

Albert enjoys video games -

especially Tony Hawk and Demos Rising. We love to see how excited he gets when he advances to another level. He also loves to tell us how much he loves Pop Tarts and how he wishes he could live off of them for the rest of his life.

We love having Albert in the program and we wish he could stay until high school!

TIGER CLUB'S SUPER STAR

Genevive

Sixth Grade

Quote:

"Aaaaaahhhhhhhh!"

Here at SPMS' Tiger Club, we picked Genevive because she is willing to try everything we do at Tiger Club without ever complaining. (If only *everyone* were as adventurous!)

Genevive is an outstanding student who gets all of her work done but still manages to

find the time to be friends with everyone. She does things without having to be asked and we appreciate her greatly.

NOV/DEC Fees

To calculate November and December's fees, take what you usually pay and subtract a quarter of the total.

\$200 becomes \$150, \$305 becomes \$228.75, etc.

Check out the website, your registration packet, or your site's bulletin board for the fee table. If you are still unsure of what to pay, please don't hesitate to ask your site's Lead.

THANK YOU!

We would like to thank everyone for their efforts in paying tuition on time in October. Every site did a great job and we hope to keep up the good work!

Please note that if you withdraw your child from the program or lapse on payment for more than 30 days, getting back into the program will be virtually impossible.

If you haven't gotten to know your site's staff yet, take a moment to introduce yourself so we can get to know you a little better.
