

Let Us Introduce Ourselves...

Extended

Day

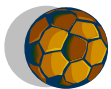

We are the South Pasadena Unified School District's Kindercare, Morning and Afterschool Programs. Our various programs run from 6:15AM – 6:30PM for children in kindergarten to those in the eighth grade.

The 2009-2010 school year will be Extended Day's tenth year of operation. We strive to provide the best care at the best prices in the city and it is our belief that positive social interaction is integral to your child's success in school as well as in their everyday lives. We constantly look for new and exciting ways to invest our time with your children and in doing so, we continue to grow and learn every day.

For more information on how we operate, please click on the school your child attends or will be attending. If you have any other questions, feel free to contact us via e-mail or by calling (626) 441-5810, extension 1125.

Extended Day is tuition-based and operates on a first-come-first-served basis. If there is no room in a program, you may ask to be added to your school site's waiting list. You will remain on the list, even if it rolls into the following school year, until your number comes up. Generally, there is room in AM Care from 6:15 a.m. to 8:05 a.m. (not available at the Middle School). Kindercare is the same as there are a limited number of kindergartners in each class. Extended Day's afterschool care from dismissal until 6 p.m. is full at all three elementary sites. We suggest that you contact our office and request to be added to your school site's waiting list. If you have an incoming kindergartner, you have a shot at admission via the lottery (see the Kinder Lottery info sheet on this page).
